AUTOMETER STREET PERFORMANCE

Street Performance - Z SERIES

SPEEDOMETER & ELECTRIC TACHOS

3-3/8" [85.73mm]

Autometer in-dash mounted Z-series tachos and speedos feature black bezel styling with white figures and a red pointer.

BY2694 160mph Speedometer **£142.81**
Mechanical speedo, [needs a cable] with built in trip odometer and lighting

BY2688 160mph Electronic speedometer .. **£269.16**
This speedo, [requires an electronic signal. Could be a trans' sender, or a GPS sender, or a propshaft mounted sender].

BY2699 8,000rpm in dash tachometer **£206.32**
OK with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor- [BY8918].

FULL SWEEP MECHANICAL

2 1/16" [52.39mm]

Autometer Z-series mechanical gauges feature a small size race quality mechanism with black bezel styling. The full sweep dials match the in-dash tachometers and speedometers.

BY2604 Oil pressure 0-100psi **£102.62**
Includes 10ft nylon tubing, 1/8" ans 1/4" NPT fittings.

BY2607 Water temperature 120°-240°f **£143.60**
Includes 6ft capillary tubing and 1/2" NPT fitting. [Capillary tube must utilize smooth bends [not sharp]. If tube is broken it cannot be repaired and the gauge is scrap].

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

SHORT SWEEP ELECTRICAL

2 1/16" [52.39mm]

Autometer Z-series electrical gauges feature black bezel styling. They include the necessary senders. [excluding the fuel gauge] and feature a rugged air-core design. Red and green bulb covers are included.

BY2634 Oil pressure 0-100psi **£131.40**
Includes electric sender, 1/8" & 1/4" NPT fittings.

BY2635 Water temperature 100°-250°f **£100.90**
Includes 1/8" NPT sender, 3/8" & 1/2" NPT fittings.

BY2645 Voltmeter 8-18 volts **£80.56**

BY2643 Fuel level- universal **£92.74**
240 ohms when empty to 33 ohms when full. Can be used with BY3262 Autometer tank sender unit.

STREET RODS - ARCTIC WHITE

Features a clear, domed lense, race style red pointer and a chrome bezel.
Red & green bulb covers included.

SPEEDOMETER & ELECTRIC TACHOS

3-3/8" [85.73mm]

Autometer in-dash mounted Arctic White tachos and speeds feature a clear domed lense, chrome bezel styling with a white dial face, black figures and a red pointer. Perimeter lighting is used.

BY1379 Electronic speedo 120mph **£274.62**
Electronic speedo, [requires an electronic signal. Could be a trans' sender, or a GPS sender, or a propshaft mounted sender].

BY1390 8,000rpm in dash tachometer **£192.88**
For use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor-[BY8918].

BY1381 Electronic speedo 120mph **£352.72**
Electronic speedo, [requires an electronic signal. Could be a transmission sender, or a GPS sender, or a propshaft mounted sender]. Also includes an 8000rpm tachometer, built into the lower part of the gauge.

QUAD GAUGE ASSEMBLY

3-3/8" [85.73mm]

This unique Quad Gauge is matched to the BY1381 Speedometer and Tachometer. They are both 3-3/8". The Quad Gauge is complete with all sender units [excluding fuel tank].

BY1312 Quad gauge- 4 in 1 **£207.23**
This unique instrument has four gauges in one- 0-100psi oil pressure, 100°-250°f water temperature, 8-18volt voltmeter and fuel level- 240 ohms empty and 33 ohms full. If a fuel gauge sender is required an Autometer unit is available [BY3262].

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

SHORT SWEEP ELECTRICAL

2 1/16" [52.39mm]

Autometer Arctic White electrical gauges feature a clear domed lense, chrome bezel styling with a white dial face, black figures and a red pointer. Perimeter lighting is used. The necessary sender units are included [excluding fuel gauge].

BY1327 0-100psi oil pressure **£105.90**
Includes electric sender, 1/8" & 1/4" NPT fittings.

BY1337 Temperature gauge 100°-250°f **£73.50**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

BY1391 Voltmeter 8-18 volts **£57.72**

BY1317 Fuel level universal 12v **£61.40**
240 ohms when empty to 33 ohms when full. Can be used with BY3262 Autometer tank sender unit.

STREET RODS - CLASSICS etc - AUTOGAGE

Features Tachometers for mounting on the steering column or on top of the dash. Together with two types of panel complete with mechanical gauges at a budget price. Not suitable for out & out Racing! All instruments have built in lighting.

STREET TACHOMETERS

3-3/4" [95.25mm]

Autometer on-dash or column mounted Autogage Street Tachometers. Not for out & out Racing. All these instruments have built in lighting.

BY2300 Black Tachometer- 0-8000rpm **£96.43**
Black face tachometer, for use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor- [BY8918]. Adjustable red line.

BY2301P Chrome Tachometer- 0-8000rpm **£123.17**
Black face tachometer, for use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor- [BY8918]. Adjustable red line.

BY2304 Chrome Tachometer- 0-8000rpm . **£122.10**
White face tachometer, for use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor- [BY8918]. Adjustable red line.

STREET TACHOMETERS

5" [127mm]

Autometer on-dash or column mounted Autogage Street Tachometers. Not for out & out Racing. All these instruments have built in lighting.

BY233905 Shift light Tacho- 0-8000rpm .. **£283.92**
Black face tachometer, for use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor- [BY8918]. Adjustable shift light.

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

FUEL PRESSURE GAUGES

Mechanical gauge 1-1/2" [38.1mm]. These gauges have no lighting & are not to be mounted inside the vehicle. The liquid filled version will cope better with vibration.

BY1561 White face 0-15psi **£34.96**
BY2175 White face fluid filled 0-15psi **£58.60**
BY2 Pressure gauge to Holley regulator **£8.83**
BY65360 "T" piece 3/8" hose-takes gauge .. **£18.13**

AUTOGAGE INSTRUMENT PANEL

Approximately 7.5" x 2.875". Gauges are 2-1/16".

BY2397 Mechanical oil & water + volts **£98.05**
Water temperature gauge includes capillary tubing . [Capillary tube must utilize smooth bends [not sharp]. If tube is broken it cannot be repaired and the gauge is scrap]. A 6ft nylon tube is supplied for the oil pressure gauge. Each gauge has a light. Wiring is not included.

AUTOGAGE INSTRUMENT PANEL

Approximately 6.125" x 2.375". Gauges are 1-1/2".

BY2391AM Electric oil, water & volts **£134.32**
These gauges come in a black console. The gauges are supplied complete with senders, fittings & installation kit. Each gauge has a light. Wiring is not included.

S8/4

S8/4

STREET RODS - CLASSICS etc - AUTOMETER

THESE KITS ARE COMPLETE WITH ALL THE SENDERS REQUIRED. THE ELECTRONIC SPEEDO "GENERATOR", WILL WORK WITH A MECHANICAL CABLE.

DESIGNER BLACK KIT

BY1421 Designer Black kit

£461.15

This kit comes complete with all the senders, including the fuel tank sender unit. [240ohms empty and 33 ohms full]. The electric speedo is driven by a small "generator" that attaches to the speedo cable. Save money! cheaper than buying the parts separately. These gauges feature a domed lense. They all have internal lighting. The electronic speedo has an LCD trip mileage meter.

PERFORMANCE-RACING & STREET - *SPORT-COMP*

Autometer's Sport Comp gauges reinvented performance instrumentation as we know it. A clean, easy to read design, highly ruggedized movements built to withstand the rigors of competition and the legendary look that set the standards in racing. Just at home on the street as they are on the racetrack.

SPEEDOMETER & ELECTRIC TACHOS

3-3/8" [85.73mm]

Autometer in-dash mounted *Sport-Comp* tachos and speedos feature a clear flat lens, "aluminium" bezel styling with a black dial face, white figures and a red pointer. All gauges have built in lighting.

BY3988 Electronic speedo 160mph **£337.92**
Electronic speedo, [requires an electronic signal. Could be a trans' sender, or a GPS sender, or a propshaft mounted sender].

BY3991 8,000rpm in dash tachometer **To order**
For use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor [BY8918].

3-3/4" [95.25mm]

Autometer pedestal mounted *Sport-Comp* tachometers feature a clear flat lens, "aluminium" bezel styling with a black dial face, white figures, a red pointer and an adjustable redline pointer. Built in lighting.

BY3780 8,000rpm pedestal mount tachometer' .. **£258.72**
For use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor-[BY8918].

5" [127mm]

As per **BY3780** but 5" with shift light.

BY3905 8,000rpm pedestal mount tachometer' .. **£349.76**
Details as per **BY3780**

FULL SWEEP MECHANICAL

2 1/16" [52.39mm]

Autometer *SPORT-COMP* mechanical gauges feature a clear flat lens, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used.

BY3321 0-100psi oil pressure **£108.37**
Includes 10ft nylon tubing, 1/8" & 1/4" NPT fittings.

BY3332M Temperature gauge 50°-115°c **£147.55**
Includes 6ft capillary tubing & 1/2" NPT fitting. [Capillary tube must utilize smooth bends [not sharp]. If tube is broken it cannot be repaired and the gauge is scrap].

BY3313 Fuel pressure 0-15psi **£209.81**
Includes isolator & 4ft line. Can be mounted in car. Requires braided line from fuel source to isolator.

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

SHORT SWEEP ELECTRICAL

2 1/16" [52.39mm]

Autometer *SPORT-COMP* electrical gauges feature a clear flat lens, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used. The necessary sender units are included [excluding fuel gauge].

BY3327 0-100psi oil pressure **£136.38**
Includes 1/8" NPT sender & 1/4" NPT fitting.

BY3337M Water temp' gauge 40°-120°c **£105.35**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

BY3391 Voltmeter 8-18 volts **£86.24**

BY3316 Fuel level universal 12v **£101.32**
240 ohms when empty to 33 ohms when full. Can be used with BY3262 Autometer tank sender unit.

BY3363 Fuel pressure 0-100psi **£171.85sp**
Digital stepper motor, can be mounted in car. Includes 1/8" NPT sender and 8ft wiring harness.

PERFORMANCE-RACING & STREET - *SPORT-COMP*

Autometer's Sport Comp gauges reinvented performance instrumentation as we know it. A clean, easy to read design, highly ruggedized movements built to withstand the rigors of competition and the legendary look that set the standards in racing. Just at home on the street as they are on the racetrack.

SHORT SWEEP ELECTRICAL

2 1/16" [52.39mm]

Autometer *SPORT-COMP* electrical gauges feature a clear flat lense, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used. The necessary sender units are included [excluding fuel gauge].

BY3348M Oil temp' gauge 60°-150°c **£93.36**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

BY3357 Trans' temp' gauge 100°-250°f **£98.02**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

BY3379 Air-Fuel ratio-*WIDEBAND* **£283.22**
This is a very accurate instrument & comes with a Bosch 4.2 oxygen sensor. It will read between 10:1 and 17:1. A useful tool that can help you tune your Carb or FI accurately.

FULL SWEEP MECHANICAL

2 5/8" [66.68mm]

Autometer *SPORT-COMP* mechanical gauges feature a clear flat lense, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used.

BY3421 0-100psi oil pressure **£101.52**
Includes 10ft nylon tubing, 1/8" & 1/4" NPT fittings.

BY3431M Temperature gauge 60°-140°c ... **£136.63**
Includes 6ft capillary tubing & 1/2" NPT fitting. [Capillary tube must utilize smooth bends [not sharp]. If tube is broken it cannot be repaired and the gauge is scrap].

BY3441 Oil temp' 140°-280°f **£146.04**
Includes 6ft capillary tube & 1/2" npt fitting. [Capillary tube must utilize smooth bends [not sharp]. If tube is broken it cannot be repaired and the gauge is scrap].

SHORT SWEEP ELECTRICAL

2 5/8" [66.68mm]

Autometer *SPORT-COMP* electrical gauges feature a clear flat lense, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used. The necessary sender units are included [excluding fuel gauge].

BY3522 0-100psi oil pressure **£105.00**
Includes 1/8" NPT sender & 1/4" NPT fitting.

BY3531 Water temp' gauge 100°-250°f **£108.91**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

BY3592 Voltmeter 8-18 volts **£92.06**

BY3516 Fuel level universal 12v **£95.53**
240 ohms when empty to 33 ohms when full. Can be used with BY3262 Autometer tank sender unit.

JEEP-Official Licensed Gauges

Autometer's "Traditional" Electric Instruments with JEEP logo on the face

SPEEDOMETER & ELECTRIC TACHO'

3-3/8"-85.73mm

In-dash mounted JEEP tachos and speedos feature a clear flat lense, chrome bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used.

BY880244 Electronic speedo 160mph **£282.18**
BY880246 8,000rpm in dash tachometer ... **£218.76**
For use with most 4,6 or 8cyl engines.

SHORT SWEEP ELECTRICAL

2-1/16"-52.4mm

Autometer JEEP electrical gauges feature a clear flat lense, chrome bezel with a black face, white figures & a red pointer. Perimeter lighting is used. Sender units are included [excluding fuel gauge].

BY880240 0-100psi oil pressure **£123.25**
Includes 1/8" NPT sender & 1/4" NPT fitting
BY880241 Water temp' gauge 100°-250°f.... **£75.22**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

SHORT SWEEP ELECTRICAL

2-1/16"-52.4mm

Autometer JEEP electrical gauges feature a clear flat lense, chrome bezel with a black face, white figures & a red pointer. Perimeter lighting is used. No wiring included.

BY880242 Voltmeter 8-18 volts **£81.68**

PERFORMANCE & STREET -

FORD PERFORMANCE

Autometer's *FORD RACING* gauges, are an official Licensed product. A clean, very attractive, easy to read design, highly ruggedized movements built to withstand the rigors of Street/Performance & Competition

SPEEDOMETER & ELECTRIC TACHOS

3-3/8" [85.73mm]

Autometer in-dash mounted *Ford-Racing* tachos and speedos feature a clear flat lens, "aluminium" bezel styling with a black dial face, white figures and a red pointer. All gauges have built in lighting.

BY880082 Electronic speedo 160mph **£310.50**
Electronic speedo, [requires an electronic signal. Could be a trans' sender, or a GPS sender, or a propshaft mounted sender].

BY880084 10,000rpm in dash tachometer **£235.69**
For use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor-[BY8918].

3-3/8" [85.73mm]

Autometer pedestal mounted *Ford-Racing* tachometers feature a clear flat lens, "aluminium" bezel styling with a black dial face, white figures, a red pointer and an adjustable shift light. Built in lighting.

BY880083 10,000rpm pedestal tachometer **£381.92**
For use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor-[BY8918].

FULL SWEEP MECHANICAL

2 1/16" [52.39mm]

BY880106 Boost-mechanical 0-60psi **£124.70**
Includes 10ft nylon tube.

SHORT SWEEP ELECTRICAL

2 1/16" [52.39mm]

Autometer *Ford-Racing* electric gauges feature a clear flat lens, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used.

BY880076 0-100psi oil pressure **£171.67**
Includes 1/8" NPT sender & 1/4" NPT fitting.

BY880822 Water temp gauge 100°-250°f ... **£123.53**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

BY880081 Voltmeter 8-18 volts **£86.44**
No wiring included.

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

DIGITAL STEPPER MOTOR

2 1/16" [52.39mm]

Autometer *Ford-Racing* electric gauges feature a clear flat lens, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used.

BY880400 Fuel level *programmable* 0-280ohm **£166.38**
Features 7 pre-sets, plus a universal programmable setting.

PERFORMANCE & STREET -

Autometer's "COBRA" gauges, are very similar to the original instruments in the genuine OE Cobra. Note the speedometer runs in reverse [anti-clockwise]. Autometer's "MOPAR" instruments are an official Licensed product. A clean, very attractive, easy to read design, highly ruggedized movements built to withstand the rigors of Street/Performance & Competition

SPEEDOMETER & ELECTRIC TACHOS

4" [101.6mm]

Autometer in-dash mounted *Cobra* tachos and speedos feature a clear flat lense, chrome bezel styling with a black dial face, white figures and a white pointer. All gauges have built in lighting.

BY201013 Electronic speedo 180mph **£263.52**
Electronic speedo, [requires an electronic signal. Could be a trans sender, or a GPS sender, or a propshaft mounted sender].

BY201005 Mechanical speedo 180mph **£156.88**
Mechanical speedo, [requires a speedo cable]. This speedo also requires a reverse adaptor [BY990340] which will increase the overall depth from the rim to the rear of the adaptor to 5.5". Or, if you want to drive a mechanical speedo with a transmission that has an electrical output only, use a **BYECD1001** drive [cable must be 5/8"].

BY990340 Reverse adaptor **£62.84**

4" [101.6mm]

BY201004 8,000rpm in dash tach V8 only **£204.76**
For use with 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor- [BY8918].

FULL SWEEP MECHANICAL

2 1/16" [52.39mm]

Autometer *COBRA* mechanical gauges feature a clear flat lense, chrome bezel styling with a black dial face, white figures and a white pointer. Perimeter lighting is used.

BY201006 0-100psi oil pressure **£91.56**
Includes 10ft nylon tubing, 1/8" & 1/4" NPT fittings.

BY201007 Water temp gauge 60°-140°c **£122.72**
Includes 6ft capillary & 1/2" NPT fitting. [Capillary tube must utilize smooth bends [not sharp]. If tube is broken it cannot be repaired and the gauge is scrap].

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

SHORT SWEEP ELECTRICAL

2 1/16" [52.39mm]

Autometer *Cobra* electric gauges feature a clear flat lense, chrome bezel styling with a black dial face, white figures and a white pointer. Perimeter lighting is used.

BY201014 Oil pressure 0-100psi **£101.71**
Includes 1/8" npt sender & 1/4" npt fitting

BY201015 Water temp' 100°-250°f **£89.38**
Can be mounted inside vehicle. Includes 1/8" npt sender & 8ft wiring harness.

BY201011 Fuel level 240e-33f ohms **£70.31**
240 ohms when empty to 33 ohms when full. Can be used with **BY3262** Autometer tank sender unit.

BY201009 Voltmeter 8-18 volts **£70.00**
Does not include wiring

MOPAR-Official Licensed Gauges

Autometer's "Traditional" Electric Instruments with *MOPAR* logo on the face

SPEEDOMETER & ELECTRIC TACHO'

3-3/8"-85.73mm

In-dash mounted *MOPAR* tachos and speedos feature a clear flat lense, aluminium bezel styling with a black dial face, white figures and a red pointer. Perimeter lighting is used.

BY880022 Electronic speedo 160mph **£304.76**
BY880024 10,000rpm in dash tachometer **£239.99**
For use with most 4,6 or 8cyl engines.

SHORT SWEEP ELECTRICAL

2-1/16"-52.4mm

Autometer *MOPAR* electrical gauges feature a clear flat lense, aluminium bezel with a black face, white figures & a red pointer. Perimeter lighting is used. Sender units are included [excluding fuel gauge].

BY880015 0-100psi oil pressure **£118.08**
Includes 1/8" NPT sender & 1/4" NPT fitting
BY880016 Water temp' gauge 100°-250°f.... **£96.91**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

SHORT SWEEP ELECTRICAL

2-1/16"-52.4mm

Autometer *MOPAR* electrical gauges feature a clear flat lense, aluminium bezel with a black face, white figures & a red pointer. Perimeter lighting is used. No wiring included.

BY880021 Voltmeter 8-18 volts **£83.69**
Does not include wiring

PERFORMANCE & STREET - RACE

Autometer's *CHEVY BOWTIE* gauges, are an official Licensed product. A clean, very attractive, easy to read design, highly ruggedized movements built to withstand the rigors of Street/Performance & Competition

SPEEDOMETER & ELECTRIC TACHOS

3-3/8" [85.73mm]

Autometer in-dash mounted *Chevy-Bowtie* tachos and speedos feature a clear flat lens, aluminium bezel styling with a black dial face, white figures and a red pointer. All gauges have built in LED lighting.

BY3688-00406 Elect' speedo 160mph **£316.04**
Electronic speedo, [requires an electronic signal. Could be a trans' sender, or a GPS sender, or a propshaft mounted sender].

ELECTRIC TACHOMETER

3-3/8" [85.73mm]

Autometer in-dash mounted *Chevy-Bowtie* tachos and speedos feature a clear flat lens, aluminium bezel styling with a black dial face, white figures and a red pointer. All gauges have built in LED lighting.

BY3697-00406 0-10,000 in dash tachometer' **£237.03**
Includes 1/8" NPT sender & 1/4" NPT fitting.

ELECTRIC TACHOMETER

3-3/8" [85.73mm]

Autometer pedestal mounted *CHEVY-BOWTIE* tachometers feature a clear flat lens, "aluminium" bezel styling with a black dial face, white figures, a red pointer and an adjustable shift light. Built in LED lighting.

BY3690-00406 10,000 pedestal tachometer' **£263.44**
For use with 4,6 or 8cyl engines with most factory and aftermarket ignitions. Coil pack ignitions will need an adaptor-[BY8918].

SHORT SWEEP ELECTRICAL

2-1/16" [52.4mm]

Autometer *Chevy-Bowtie* electrical gauges feature a clear flat lens, aluminium bezel with a black face, white figures & a red pointer. LED lighting is used. Sender units are included [excluding fuel gauge].

BY3627-00406 0-100psi oil pressure..... **£108.14**
Includes 1/8" NPT sender & 1/4" NPT fitting.
BY3637-00406 Water temp' 100°-250°f **£121.38**
Includes 1/8" NPT electric sender, 3/8" & 1/2" NPT fittings.

SHORT SWEEP ELECTRICAL

2-1/16" [52.4mm]

Autometer *Chevy-Bowtie* electrical gauges feature a clear flat lens, aluminium bezel with a black face, white figures & a red pointer. LED lighting is used. Sender units are included [excluding fuel gauge].

BY3613-00406 Fuel level **£79.92**
0 ohms when empty to 90 ohms when full. Works with most 1965-96 Chevy senders.
BY3692-00406 Voltmeter 8-18 volts **£83.69**
No wiring included.

Please note we can special order any Autometer product. The time taken for delivery will be relatively short, provided AUTOMETER have the items concerned, in stock.

DAKOTA DIGITAL

Each unit has a message centre. This can show many things provided you have the appropriate sender for the extra function *. All "standard senders" come with the kit. Speedo is MPH, Water temp is Centigrade, Oil pressure is PSI, Volts=volts, Fuel-most are empty, half, full. mileage, trip mileage, gear indicator *, outside temperature *, compass * and many other features.

DAKOTA DIGITAL UNIVERSAL KIT

Complete Kit- with Senders & Bezel

BYVHX1016KW Universal Multi-Level Oval
160mph speedo, centigrade temp gauge-black alloy face with white lighting. Approx size 10.125" x 5". Requires 2" of depth at the rear. **£1090.12**

DAKOTA DIGITAL Chevy Pickup 1947-54

Complete Kit- with Senders & Bezels

Photo = 1947-53

BYVHX47CPUKW Chevy Pickup 1947-53 **£1029.04**
BYVHX54CPUKW Chevy Pickup 1954-55 series 1 only **£1029.04**
160mph speedo, black alloy face with white lighting. Will fit GMC

DAKOTA DIGITAL Ford Pickup 48-50 F1

Complete Kit- with Senders & Bezel

DAKOTA DIGITAL BEZELS

- BY610087** 65-66 Mustang Woodgrain **£79.80**
- BY610086** 65-66 Mustang GT **£53.13**
- BY610089** 1967 Black gauge bezel **£87.59**
- BY610091** 1968 Black gauge bezel **£93.37**

Gauge Bezel seen better days? Get yourself a smart reproduction. Many types available

DAKOTA DIGITAL-Optional Modules

Use any of these along with your VHX dash to give yourself an even wider range of information in the message centre

- BYBIM172** Compass & outside temp **£140.68**
- BYDIM1** Dim your instrument lights **£42.42**

DAKOTA DIGITAL-Optional Modules

Use any of these along with your VHX dash to give yourself an even wider range of information in the message centre

- BYGSS3000** Gear position sender-auto **£157.66**
 - BYBIM13-2** Display Air-Fuel ratio **£140.68**
- Obtains the info from the sensor in your exhaust

DAKOTA DIGITAL Speedo Drive

If you want to retain your mechanical speedo, but your new gearbox has a drive for an electric speedo, then this will join the two. Comes with a 36" cable.

- BYECD200BT-1** 5/8" x 18tpi at speedo **£419.65**
- BYECD1002** GM clip on- at speedo **£334.62**
- BYECD200BT5** Ford clip on- at speedo ... **£342.85**
- BY130049-36** GM clip on cable **£39.42**
- BY130050-36** Ford clip on cable only **£39.42**

DAKOTA DIGITAL Speedo Drive

If you do not have the means to drive your electronic speedo, then this unit is worth considering. It works off GPS signals, & combined with your VHX dash, you will have access to the following extra information, over & above your speed-

1. Altimeter 2. Clock. 3. Compass. 4. Ambient air temp [optional]
- The unit has a built in aerial & accelerometers. For even greater reception quality an external aerial is available.

- BYGPS-50-2** GPS speed/compass sensor .. **£258.66**
- BY600041** Optional external aerial **£31.54**
- BYSEN-15-1** External temp sensor **£30.23**

ELECTRONIC SPEEDO DRIVES

These drives send the necessary signal to drive your electronic speedo & or cruise control

- BY5293** Propshaft sender kit **£75.53**
- BYAJG65** Ford USA sender **£96.62**
- BY957500** Plug+short loom for above **£25.34**
- BY5291** GM & others 7/8" x 18tpi **£139.49**

PASS-THROUGH PULSE GENERATOR

The **BYSEN-01-4280** [Pictured] is a 3 wire unit, used to retain a factory mechanical speedo & add electronic cruise control that requires an 8,000 pulse per mile sq wave output.

- BYSEN-01-4280** 3wire 8000 pulse/mile ... **£109.02**
- The **BYSEN-01-4160** is a 2 wire unit, used to retain a factory mechanical speedo & add electronic cruise control that requires an 8,000 pulse per mile sine wave [AC] output. This is a larger unit.
- BYSEN-01-4160** 2wire 8000 pulse/mile **£65.46**

TACHOMETER DRIVES & INTERFACES

This interface allows a factory tachometer to function accurately after performing an engine swap with a different number of cylinders or tach signal.

- BYSGI-8E** Tach signal converter **£68.80sp**

UNIVERSAL SPEED/TACH INTERFACE

Three devices in one, it can adjust/split/recalibrate an electronic speed signal, calibrate a tach signal, & aid in the creation & adjustment of a petrol tach signal for diesel swap applications. Many other functions built in.

- BYSGI-100BT** Tach signal generator **£139.46**
- BY620008** Flywheel sensor **£97.98**

MSD Tacho-Fuel-Injection ADAPTORS

When using an MSD "box" sometimes the tachometer cannot hear the signal from the MSD. In this case an "amplifier" may be required

- BY8910** Points or amplifier [white wire] **£90.62**
- BY8920** Magnetic trigger [green/violet] **£118.18**

SHIFT LIGHTS & OTHER ACCESSORIES

Autometer Pro-Light & Lense Covers

Use as a warning light, senders required

BY3240 Pro-light warning light assy **£76.62**

AUTOMETER UNIVERSAL SENDER UNIT

For use with all Autometer universal fuel level gauges with 240ohms when empty and 330hms when full. Float depth in tank is adjustable. Five bolt fixing pattern in tank.

BY3262 Fuel tank sender unit **£72.55**

NYLON TUBING KIT 6ft 1/8" Diameter

For mechanical pressure, except fuel

BY3223 6ft with fitting & ferrules . **£18.90**
BY4 T piece -boost/vac gauges .. **£2.56**

Autometer Digital Pro-Shift-Shift Light

This version has a black tube. It uses an advanced mounting system, which makes it easier to set up. It is "level 1" which means- 1 shift point, 1 LED colour option [amber] and peak memory. Length is 5.109", Height 3.094", Width 2.0625".

BY5343 Digital shift light adj' **£164.27**

AUTOMETER SENDERS/BULB HOLDERS

For Autometer gauges only

BY2242 Oil pressure sender **£71.50**

BY2258 Temperature sender 1995 on **£29.88**

BY3220 Bulbholder - 2-1/16" plastic gauges **£10.21**

WELD IN ADAPTORS

BY2261 For mech' temp gauge **£15.65**
BY2260 For elec' temp gauge 1/8" **£16.60**
BY534-49 For oxygen sensor in ex' .. **£10.63**

EXTENSION ADAPTER

For Autometer mechanical temp gauges. Gives extra water passage clearance.

BY2271 Extension 3/8" npt **£21.34**

TEMPERATURE GAUGE ADAPTORS

AJG1010 1/2"npt "hole" to 3/8"npt ... **£9.58**

[Reduce a 1/2"npt thread to 3/8" npt] **AJG1010**

BY2263 3/8" npt adaptor fitting **£15.36**

BY2264 1/2" npt adaptor fitting **£15.11**

BY2 3/8"npt to 1/8"npt **£2.93**

BY8 1/2"npt to 1/8"npt **£4.02**

DW1020 For elec' gauge on Rvr V8 .. **£6.24**

ADAPTORS FOR OIL PRESSURE GAUGES

"T" fitting enables a gauge and a light to be used. [1/8"]

DW1012 "T" fitting 1/8" npt **£11.41**

AJM124 Ford 302 extension for sender **£345.88**

BY06 Ford 1/4"npt to 1/8"npt adapter **£1.68**

GENERAL O/PRESSURE SWITCHES

Used to turn on a dash light, or drive an oil pressure gauge

BY3241 Turns on a light at 18psi ... **£38.44**

BY3242 Turns on a light at 30psi ... **£37.78**

BYPS-1 Std [light]switch 1/8"npt .. **£12.26**

BYPS-3 Ford [light] switch 1/4" npt **£12.98**

AJM346 Ford [gauge] 65-73 **£44.93**

Use an **AJM348** with **AJM346** for 1967-68

GENERAL W/TEMPERATURE SWITCHES

Used to turn on a dash light, or drive a w/temperature gauge

BY3247 210-230f **£21.55sp**

BYTS-6 GM 53-81 -light- 1/2"npt. **£14.09**

BYTS-76 GM for a light 3/8"npt **£17.33**

BYTS-58 Ford 70-93 [gauge] **£11.09**

AJM142 64-66 Mustang [gauge] **£10.55**

AJM144 66-71 Mustang [gauge] **£13.33**

ANGLE RINGS FOR DASH

Angle your gauges in any direction

BY2234 Packet of 3 for 2-1/16" **£24.20**

GAUGE PANELS

For 2-1/16" gauges

BY2237 2 hole black aluminium **£32.72**

MOUNTING CUPS or PODS

Autometer 2-1/16" 1995 on

BY2203 Chrome **£52.70**

BY2204 Black **£33.96**

Autometer 2-5/8" Mechanical Temp & Pressure only

BY3203 Chrome **£55.26**

BY3204 Black **£34.24**

Autometer 3-3/8" Use with 3-3/8" in dash speedo & tach

BY5203 Chrome **£63.31**

BY5204 Black **£46.66**
